

## **New Dermatology Clinic in Naples Now Open**

*Skin Wellness Physicians, a new dermatology clinic led by Board Certified Dermatologist and Fellowship Trained Mohs Surgeon Daniel I. Wasserman, M.D., is now open.*

Skin Wellness Physicians opened its doors on July 14, 2014, and now offers cosmetic dermatology, laser scar removal, birthmark removal, acne treatment, and skin cancer treatment. Led by a highly trained and qualified Board Certified Dermatologist and Fellowship Trained Mohs Surgeon, this dermatology practice is excited to bringing dedicated and experienced dermatology services to the Naples and Marco Island community.

Specializing in acne treatment, birthmark removal, cosmetic dermatology, preventative skin care, and skin cancer treatment, the practice headed by Dr. Daniel I. Wasserman, M.D. is able to provide a wide range of dermatology services to patients. Thanks to the dedication of the highly trained medical staff, the people of Naples now have a new reliable dermatology practice to rely on for all of their skin care needs.

By providing the most advanced treatments for dermatological conditions such as acne, rosacea, psoriasis, and skin cancer, Skin Wellness Physicians aims to ensure results that are in the best interests of their patients and their skin. Improving the health and overall quality of their patients' skin is the number one goal of Naples newest dermatology clinic.

Anyone interested in receiving cutting edge skin treatments and highly personal service is encouraged to contact Dr. Daniel I. Wasserman, M.D. and Skin Wellness Physicians by calling (239) 732-0044. Appointments are now available. For more information, please visit <http://www.skinwellnessflorida.com/>.
