SKINCEUTICALS ADVANCED CLINICAL SPA BY SKIN WELLNESS PHYSICIANS

Our mission is to be Southwest Florida's leading practice for dermatology care. Using our physicians extraordinary training and leadership, we dedicate ourselves to ensuring that patients receive the most advanced, academically scrutinized, and committed care. Understanding that the skin is a vital organ to one's mental, social, and complete physical health, we employ a team-based approach to comprehensively improve our patients' skin through a devoted staff and leadership in local and national professional communities. We deliver on our pledge by treating people, not problems.

PRODUCT SPOTLIGHT

H. A. INTENSIFIER

Corrective serum that amplifies hyaluronic acid levels to visibly improve skin's firmness, texture, and plumpness

Injectable treatments instantly restore skin's volume, smooth away deep lines, and reduce fine lines and wrinkles. They are commonly used around the eyes, between the eyebrows, and on the forehead, lips, cheeks, and jawline. They are minimally invasive with little to no downtime

BOTOX®

Injectable treatment designed to temporarily treat moderate to severe fine lines caused by repeated facial expressions.

DYSPORT®

Injectable treatment designed to temporarily treat moderate to severe fine lines caused by repeated facial expressions.

RESTYLANE®

Hyaluronic acid filler indicated for the treatment of moderate to severe lines and wrinkles.

RESTYLANE® LYFT

Hyaluronic acid filler specifically designed for subtle lip enhancement, and the smoothing of wrinkles and lines around the mouth.

RESTYLANE® DEFYNE

Injectable filler designed with XpressHAN Technology to smooth out deep laugh lines (nasolabial folds and marionette lines).

RESTYLANE® REFYNE

Injectable filler designed with XpressHAN Technology to soften laugh lines (nasolabial folds and marionette lines).

RESTYLANE® SILK

Hyaluronic acid filler used to correct volume loss and treat wrinkles in the face.

PRODUCT SPOTLIGHT

C E FERULIC®

Patented, triple antioxidant vitamin C serum delivers advanced environmental protection, while improving the appearance of fine lines, wrinkles, and brightens skin's complexion

RESTYLANE KYSSÉ

Injectable filler designed with XpressHAN Technology to increase lip fullness and soften perioral lines around the mouth.

RESTYLANE CONTOUR

Injectable filler designed with XpressHAN Technology to restore cheek shape and definition.

SCULPTRA®

Stimulates the body to produce new collagen and underlying tissue to fill in wrinkles and elevate sagging skin.

KYBELLA®

The first FDA-approved prescription medicine used in adults to improve the appearance and profile of moderate to severe fat below the chin (submental fat), also called double chin.

PLATELET RICH PLASMA THERAPY (PRP)

Hair loss can be devastating to both men and women; Platelet Rich Plasma (PRP) therapy can help. This therapeutic option uses the body's own cells to stimulate skin rejuvenation, new hair growth, tissue regeneration and more. This treatment works by injecting a highly concentrated, platelet rich solution of your own plasma into the scalp. Leaving you with a fuller, healthier looking head of hair.

PRODUCT SPOTLIGHT

EPIDERMAL REPAIR

Therapeutic treatment relieves skin blotchiness, and improves skin comfort and texture for sensitive and post-procedure skin

BBL®

Laser treatments use light based-devices to help reverse the effects of aging and sun damage. There are a variety of laser treatments available targeting fine lines, wrinkles, redness, hyperpigmentation, and loss of firmness. These treatments are most effective as a series.

MOXI

A non-ablative laser treatment that provides a gentler approach to laser resurfacing. This treatment helps to improve the appearance of sun damage and signs of aging. Due to the minimal downtime needed and the gentleness of the technology, it's an ideal treatment for regular skin maintenance to keep your skin looking flawless for years.

HALO™

Combines deep dermal rejuvenation with epidermal renewal for a synergistic effect you can't get with any other treatment. Creates beautiful results without the downtime of more aggressive treatments.

ABLATIVE RESURFACING LASER (CO₂ ERBIUM LASER)

Laser treatment of choice for those who would like to achieve dramatic improvement in the appearance of their skin. This procedure successfully removes superficial lines to moderately deep wrinkles with less pain, fewer side-effects, and a more rapid recovery.

TRL

The Contour Tunable Resurfacing Laser (TRL) is the solution for achieving excellent fractionated resurfacing results. This dual mode Erbium: YAG resurfacing laser that can help with visible signs of skin damage caused by the sun, environmental toxins and the natural aging process.

PULSE DYE LASER

A specialized laser to target and treat rosacea, spider veins, broken capillaries, and birthmarks. The laser delivers a concentrated burst of energy and is absorbed as heat by the blood vessels. The remnants quickly clear away leaving a natural skin tone. These treatments are typically recommended in a series.

INTIMA

CO2RE Intima is an in-office, non-surgical treatment that uses laser energy to correct the physical changes caused by childbirth and the natural aging process. CO2RE Intima is a medical laser that delivers controlled CO2 energy to the vaginal or vulva tissue causing cells to make more collagen while also improving skin tone, texture and appearance.

COMPLEMENT YOUR TREATMENT WITH A SKINCEUTICALS REGIMEN

1. SOOTHING CLEANSER
2. C E FERULIC® ☀️
3. EPIDERMAL REPAIR
4. PHYSICAL UV DEFENSE SPF 30 ☀️

Aesthetic services are additional professional treatments to complement in office procedures and homecare. These treatments are recommended as a series for maximum results.

PRODUCT SPOTLIGHT

HYDRATING B₅ GEL

Hyaluronic acid-based serum replenishes moisture and restores radiance for a smoother complexion

SIGNATURE FACIAL**\$190**

The Signature Facial integrates our most requested applications into one treatment and is customized based on the patient's skin needs. The facial includes cleansing, toning, dermaplaning, microdermabrasion, micropeel, oxygen therapy, and massage of the scalp, neck, and hands. This ultimate exfoliative treatment accelerates new cell growth and stimulates collagen formation, revitalizing the skin and giving your skin a radiant glow.

MICRODERMABRASION**\$160**

Microdermabrasion is a way to revitalize and rejuvenate all skin types in less than an hour! Microdermabrasion is an exfoliation process, which removes the uppermost layer of dead skin cells from face, neck, décolletage and hands. The treatment includes cleansing, toning, exfoliation, customized SkinCeuticals peel, and massage of the scalp, neck, and hands. Microdermabrasion is an effective treatment for a smoother, brighter complexion, reducing the appearance of fine lines, acne scarring, sun damage, and discoloration. This is an excellent treatment to promote new collagen and elastin, while maintaining healthier skin.

MICROPEEL FACIAL**\$155**

A time efficient, three-step procedure combining exfoliation by dermaplaning, customized SkinCeuticals peel, and deep cleansing of the skin. SkinCeuticals Micropeel combines a manual exfoliation by dermaplaning the skin with an epi-blade, removing all facial vellus hair and dead skin, chemical exfoliation with a solution specific for individual patient skin needs, deep cleaning of the skin and oxygen therapy. It may be customized to accommodate all skin types. Micropeel is ideal for patients looking to reduce the appearance of fine lines and wrinkles, hyperpigmentation, laxity, dullness, and skin imperfections.

PRODUCT SPOTLIGHT

RETINOL 0.5

Highly concentrated vitamin A refining night cream to diminish the appearance of fine lines, wrinkles, uneven skin tone, and skin discoloration

SKINCEUTICALS VITAMIN C FACIAL**\$145**

Essential firming treatment infuses the highest clinical grade of Vitamin C to immediately tone, firm and refine. Improves elasticity by fighting oxy free radicals and reverses sun damage and signs of aging. This effective renewal treatment stimulates collagen and is the perfect facial for all skin types.

GENTLEMAN'S FACIAL**\$135**

Our Gentleman's Facial provides a customized treatment that includes deep pore cleansing, exfoliation and a soothing masque. This facial helps repair the damage caused by daily shaving, skin sensitivity, dullness, aging and the environmental impact.

SKINCEUTICALS CLEAR ACNE FACIAL**\$135**

This detoxifying treatment purges skin of impurities and opens congested skin, resulting in a clear, glowing complexion. Deep cleaning, exfoliation, and extractions are followed by oxygen therapy to soothe the skin. SkinCeuticals clear acne facial is designed to gently care for oily and acne prone skin.

VI PEEL**\$450**

A gentle yet powerful medical-grade chemical peel for the treatment of acne and acne scarring, fine lines and wrinkles, age and sunspots, discoloration, melasma, rosacea, enlarged pores, oil balancing, and overall skin health.

SKINCEUTICALS TCA PEEL**\$375**

The Smart TCA Peel significantly improves the appearance of fine lines, wrinkles, pore size, tone, and stubborn discoloration. Trichloroacetic Acid (TCA) is known as the gold-standard ingredient in chemical peeling – as it's a tried-and-tested acid used for decades by doctors. Ideal for all skin types and most skin tones, the Smart TCA Peel features a blend of 15% Trichloroacetic Acid with 3% Glycolic Acid.

SKINCEUTICALS ADVANCED CORRECTIVE PEEL \$290

A clinical-grade peel that contains a highly concentrated blend of salicylic and lactic acid with a maximized concentration of phenylethyl resorcinol to restore a brighter, smooth skin tone. Skinceuticals Advanced Corrective Peel refines texture and reduces the appearance of discoloration associated with photoaging, hormones, and post-inflammatory hyperpigmentation. This is the ideal peel for your décolletage, shoulders, or back and is appropriate for moderate to severe skin imperfections as determined by your skincare specialist. A series of treatments are recommended for optimal results.

SKINCEUTICALS MICROPEEL PLUS \$145

Skinceuticals Micropeel Plus is ideal for oily, acne prone skin. This customizable peel improves the appearance of fine lines, wrinkles, dullness, visible skin imperfections, and visible signs of photoaging.

MICRONEEDLING PRICES STARTING AT \$450

Microneedling, also known as Collagen Induction Therapy (CIT), is one of the most popular and effective skin care treatments. Microneedling is a safe, “non-surgical” and “non-ablative” minimally invasive, skin rejuvenating, chemical free method designed to improve fine lines, wrinkles, acne scarring, loss of elasticity and hypopigmentation, as well as scars on the body. This treatment involves a specialized device that glides across the skin, using hair-thin needles to create controlled wounds in the uppermost layers of the skin. Microneedling triggers the body’s natural healing process, boosting collagen and elastin to revitalize the tissue. It is safe for most skin types with minimal to no down time.

FACIAL ELECTROLYSIS PRICES STARTING AT \$45

Available at Goodlette location.

Permanently remove unwanted hairs from your face, one follicle at a time, using a gentle, controlled current.

PRX DERM PERFEXION PACKAGE OF 4 \$1,200

PRX Derm Perfexion is a painless, non-invasive, collagen stimulating treatment ideal for all skin types. Featuring a unique combination of Trichloroacetic Acid (TCA) and hydrogen peroxide, this revitalizing solution penetrates to the dermal layer providing all of the benefits of a high percentage TCA peel but without the associated side effects. There is no downtime with this treatment and your skin will receive immediate hydration, firmness, and tightening.

BBL™ PHOTOFACIAL PRICES STARTING AT \$500

BroadBand Light (BBL™) is the most powerful IPL device on the market. BBL energy allows us to precisely treat age and sun spots, small facial veins, acne, and many other skin conditions. Your treatment will be tailored to match your skin type and your desired results.

BBL™ PHOTO BODY REJUVENATION PRICES STARTING AT \$250

BBL™ photo body rejuvenation is a unique and very effective method to rejuvenate your skin on the face, neck, décolleté, back, hands, arms, and legs. This treatment works in the same manner as BBL™ Photofacial, but is delivered in a more suitable manner for the larger surface areas of the body. BBL energy is ideal for treating age and sun spots, small veins, acne, and many other skin conditions, leaving your skin looking more youthful, smooth, and even-toned.

MOXI PRICES STARTING AT \$450

Revitalize your skin with this versatile, non-ablative, fractional laser treatment. This is an ideal treatment to improve uneven pigmentation, texture and tone, light sun damage and aging skin.
