

Vivian (Wai Chong) Wong, M.D., Ph.D., FAAD.

Board Certified Dermatologist

Curriculum Vitae

Synopsis

I have more than 10 years of experience in basic and clinical research in dermatology, pharmacology, and medical innovations. I hold an M.D. and a Ph.D. degree in Pharmacology and am board certified in dermatology. I am a faculty member at the Department of Dermatology at Harvard Medical School and the director of hair loss clinic. I have worked as an independent consultant to medical diagnostic, therapeutic and technology companies. I have collaborated with researchers in North America, Europe and Asia and authored over 250 articles to date on important topics such as melanoma, zika virus, and cutaneous lymphoma. I am a renowned expert on alopecia and I have been interviewed by the Boston Magazine, Boston25 News and QuantiaMD. I have spoken and presented at more than 50 international and domestic conferences and received more than 40 awards for my scientific and clinical contributions. I am particularly passionate about health disparity, medical education and mentorship for women.

Appointments at Hospitals/Affiliated Institutions

9/2018 - present **Attending dermatologist, Harvard Medical Faculty Physicians**
Department of Dermatology, Beth Israel Deaconess Medical Center, Boston
Medical, cosmetic, procedural and consultative dermatology at a tertiary academic medical center (Boston) and private clinic (Chestnut Hill).

Academic appointment:

9/2018 - present **Instructor and core teaching faculty, Department of Dermatology, Harvard Medical School**

Industry experience:

09/2014 - present **VisualDx®**, New York. Consultant, Associate Editor, Image and Content Author
I serve as a consultant for VisualDx, the most widely used visual diagnostic tool for physicians and healthcare professionals. I perform literature reviews for various diagnoses and translate medical research into clinically relevant knowledge to help guide clinician diagnosis.

02/2020 - present **SharkNinja Oprating LLC**, Massachusetts. Consultant
I work with engineers at SharkNinja as an expert consultant to provide clinical insights and evidence-based scientific knowledge on propriety innovations. I provide acutely relevant scientific knowledge on major shifts in consumerable technology to affect positive change in the daily lives of consumers and patients.

07/2016 - 05/2018 **Functional Innovations LLC**, Rhode Island. Consultant
I explored several projects pertaining to transformative medical devices and actionable smart health. I guided several studies on elector-chemistry, usability and user experience of innovative medical and consumerable devices. I also helped develop behavioral quantification metrics for an animal study with tethered and or un-tethered active device implants and the associated risks for dermatological complications. I also helped conceptualize and actualize a sun exposure dosimeter and life style monitoring prototype for health and lifestyle management.

Graduate Medical Training

- 05/2017 -06/ 2018 **Brown University**, Chief Resident
06/2015 – 06/2018 **Brown University**, Dermatology Residency
06/2014 – 06/2015 **Hennepin County Medical Center**, Transitional Residency

Additional training: Strengthening Community Health Worker Programs, Harvard University, April 2020; Ethnic Skin & Hair course, European Academy of Dermatology and Venereology September 2018; Nail surgery hands-on course, American Academy of Dermatology Meeting, March 2017; Dermatopathology course, European Academy of Dermatology and Venereology, July 2018; Nails and Nail Diseases course, European Academy of Dermatology and Venereology, April 2018; Elective with Dr. Mark Koh at KK Women and Children's Hospital, Singapore, April 2017 (skin of color, pediatric dermatology); Elective with Dr. Bianca Piraccini at University of Bologna (hair and nail); Chief Academy, May 2018; Program in Educational Faculty Development Certification, Brown University, 2016-2017; Presenting Data and Information program by Edward Tufte, 2011

Education

- 08/2007 – 06/2014 Rosalind Franklin University of Medicine and Science. North Chicago, IL
 M.D.– Ph.D., Medicine, Cellular and Molecular Pharmacology. *Alpha Omega Alpha*
08/2004 -05/ 2007 St. Cloud State University. St Cloud, MN
 B.S., Biomedical Sciences, *Minor*, Chemistry. *Summa Cum Laude*

Research Experience

- 2016 - present Exposure to skin of color in medical education (Primary investigator). Multicenter study.
2016 - 2020 Cultural differences in steroid phobia in pediatric population (with Dr. Mark Koh). KK Women and Children's Hospital, Singapore; and Dr. Wilsie M Salas-Walinsundin at University of Santo Tomas, Philippines.
 Funding: Society of Pediatric Dermatology Mentorship Award
2016 - 2018 Dermatoethics of vitiligo; surveying national and state insurance coverage
 (with Dr. Lionel Bercovitch). Brown University, Providence, Rhode Island
2017 - 2019 Retrospective chart review of onychopapillomas (with Dr. Bianca Maria Piraccini). University of Bologna, Italy
 Funding: Council of Nail Disorders Mentoring Award
2015 - 2017 After-visit-summary on the quality of dermatological care (with Dr. So Yeon Paek). Brown University, Providence, Rhode Island
 Funding: Graduate Medical Education Committee Award for Support of Research and Quality Projects
2016 - 2017 Acetaminophen and vitiligo risk. (with Dr. Qureshi and Dr. Cho). Brown University, , Providence, Rhode Island
2016 - 2017 Mapping morphea: towards a better understanding (with Dr. Yvonne Chiu and Dr. Lionel Bercovitch). Multicenter study.
